WHAT WE DO

WE ASSIST BUSINESSES SEEKING A TURNAROUND OR FACING DISTRESS.

Sandra Beswick & Associates is deeply committed to supporting the growth of the business sector. We believe that every business should have the opportunity to overcome its challenges and become profitable. We work with companies that have financial and management challenges and help them implement practical, best possible solutions.

Sandra Beswick & Associates is a licensed senior Business Rescue Practitioner. We work with companies of all sizes, focusing on their particular requirements, and guiding them to renewed prosperity and sustainability.

Our objective for every client is to find winning solutions for all parties – by introducing profitable systems and structures, resolving financial challenges and saving jobs.

IN CASES OF BUSINESS RESCUE, WE MAKE EVERY EFFORT TO AVOID LIQUIDATION.

SERVICES

Business Relief and Turnaround

We assess business performance and determine interventions for improving financial management and business strategy.

Independent Business Reviews

Desktop analysis of the solvency of a business. Quick and cost effective IBRs for credit and debit insurance companies.

Business Growth Strategies

Helping our clients find opportunities and solutions for business growth and avert financial decline.

Financial Management

Consultation on and implementation of financial management practices to improve business results.

Business Restructuring

Consultation on improving business structures and implementation of revitalised structures, processes and procedures.

Business Rescue

As a registered business rescue practitioner, we can be appointed to execute the business rescue process.

ABOUT SANDRA BESWICK

Sandra has over 30 years of experience in the banking sector and financial markets – from being treasurer of a major mining company, to investment banker to the mining industry and management of an enterprise development fund.

She also has a wealth of expertise in effective business management practices, turnaround strategies, enterprise development, funding of businesses and mentoring of business owners.

Sandra is non-executive director on the Board at the Public Investment Corporation (PIC).

She has adjudicated the national SAB Kick Start Programme and is a registered mentor on the panel of ORT Jet.

TESTIMONIALS

“Thank you again ... for securing our jobs, giving us new opportunities and making all better!”

Lize Muller, Financial Manager

Lighting and Steel Structures

“I just want to commend you on the way you have kept (your suppliers) up to date with the proceedings.”

Carrie Coetzee

Millennium Metals
